REPORTING TO CAMP: All players MUST arrive at camp by 9 a.m. on Sunday June 21, 2026. We need to know as soon as possible if you cannot arrive on time. It is recommended that players do NOT drive themselves to camp. Players will be transported via team bus from camp to game site and will not return to camp site following the game. Anyone driving their own car to camp will have to find their own way back to the camp site following the game to retrieve their vehicle. Due to insurance liability, players will NOT be allowed to drive themselves from the camp site to the game site. If transportation is a problem, please let us know so we can help make arrangements to help.

All dates/times are subject to change. Please reference www.KansasShrineBowl.com/Camp for important information updates. Also, please regularly check your email address provided on your player information forms for updated information and important correspondence.

PROVIDED FOR YOU AT CAMP:

- Practice jersey. The practice jersey must be left with the Shrine Bowl equipment manager at the conclusion of camp.
- Game jersey and game pants. The game jersey is yours to keep, however, the game pants must be left in the locker room with the Shrine Bowl equipment manager after the conclusion of the game.
- A moldable mouth guard will be provided upon request on your player information forms. Bringing your own personal mouth guard is recommended for the most comfortable fit.
- Thigh pads and knee pads will be provided by request on your player information forms. These pads must be left with the Shrine Bowl equipment manager at the conclusion of the game. If you prefer, you may bring your own thigh and knee pads as indicated on your player information forms.
- There are a limited number of girdles that may be available at camp. It is highly recommended that you provide your own girdle for comfort and fit.
- You will be given multiple Shrine Bowl T-shirts to wear at various events throughout the week. These shirts are yours to keep. All the shirts provided are different from the apparel that is available for purchase in the Shrine Bowl store. Washers and dryers are available for your use during camp.
