All selections are made by the KWCA after review of applications submitted by wrestlers and following an acceptance of an invitation to participate. The East/West dividing line used to assign wrestlers to the East or West team is marked by the territories of the five Kansas Shrine Centers, however, some exceptions are made to ensure fulfillment of all weight classes with wrestlers who applied and accepted invitations. Rosters are subject to change. Final official match pairings are to be determined. Additional event information and updates can be found at www.KansasShrineDuals.com
