“First, I would like to thank God for allowing me to be selected as the Head coach of the Shrine Bowl West team. I am honored and grateful that God continues to work exceedingly and abundantly in my life. This opportunity is more than I could ever ask or imagine (Eph. 3:20). I am truly blessed for the opportunity to serve a role in helping the Shriners and the Kansas Shrine Bowl continue to make a positive impact on the lives of so many young people in Kansas and around the world. I would also like to thank my family, Wichita Heights players, coaching staff, administration, and the entire Falcon Family. Without your continued support and dedication this opportunity to represent Wichita Heights in the 2025 Kansas Shrine Bowl would not be possible. Westside!”
