College/University: Kansas State University / Baker University

"I wouldn't be able to serve in this role without my Faith, my Family, Sabetha's excellent players, our outstanding coaches and our wonderful community of Sabetha. The Kansas Shrine Bowl is #For The Kids! This is a life changing experience, because we are playing for a cause much bigger than ourselves. The hospital kids have a spectacular view on life and their talents top the charts. When the world gives them set backs, the Shriners give them bounce backs. I'm so humbled and honored to be selected to participate in the unbelievable event. I feel this is the highest honor a Kansas high school coach can receive. My father was the East Head Coach in 1985, so this is a dream come true. I'm beyond excited for our 2025 East players to show off their talents and put on a show for the state of Kansas. GO EAST!"
