Kansas Shrine Bowl Announces New Partnership

Stormont Vail Health becomes Official Provider of Sports Medicine for the Kansas Shrine Bowl

The Kansas Shrine Bowl Board of Directors is pleased to announce a three-year agreement to make Stormont Vail Health the “Official Provider of Sports Medicine” for the Kansas Shrine Bowl. Under the agreement physicians from Stormont Vail Health will serve as team doctors during game week activities, to ensure timely, expert care on the field.

“We are excited about this new partnership,” said B.J. Harris, Executive Director of the Kansas Shrine Bowl. “Stormont Vail Health has a tremendous reputation and I’m excited to see the positive impact their support has on our organization.”

“The Kansas Shrine Bowl highlights some of the best athletes, cheerleaders and band members in Kansas. We are proud to support these talented young people both on and off the field,” said Randy Peterson, president and CEO of Stormont Vail Health.

The Kansas Shrine Bowl is an All-Star Charity Football Game taking place each summer. The event also includes a cheer camp, band camp, 5K, golf tournament, parade and more. The event includes nearly 500 high school aged participants annually with representation from across Kansas.

“Companies and organizations are starting to realize the positive impact a partnership with the Kansas Shrine Bowl can have for their business,” Added Harris. “I think this new multi-year agreement with Stormont Vail is great example of that.”

The 2018 Kansas Shrine Bowl will take place on July 28th at 7 p.m. at Carnie Smith Stadium in Pittsburg, Kansas. Tickets and event information can be found at www.kansasshrinebowl.com.
